30,000 VOICES

And Many are the Voices of Norway People.

Thirty thousand voices—What a grand chorus! And that's the number of American men and women, who are publicly praising Doan's Kidney Pills for relief from backache, kidney and bladder ills. They say it to friends. They tell it in the home papers. Norway people are in this chorus.

Here's a Norway case: "I know of no other remedy as good as Doan's Kidney Pills," says M. M. Kilgore, of Danforth St., Norway. "I had backache and rheumatic pain for more than a year. My kidneys were the cause of the trouble. Sometimes I was so lame I could hardly stand. I did not rest much and was feeling miserable when I was advised to try Doan's Kidney Pills. I got them at Stone's Drug Store and a few boxes cured me."

THE DAVIS MURDER.

Prescott Pratt Committed to Jail to
Await the March Term of Court.

The Pratt hearing in the Davis murder
case, which was postponed from Thurs-
day until Friday, was held at the Norway
Municipal Court Room, at 10 o'clock,
Friday morning. The Municipal Court
Room was packed long before the hour
set for trial and the hall held a large
number of spectators.

At the trial County Attorney Albert
Belliveau of Rumford conducted the case
for the State and Alton C. Wheeler and
Harry L. Webber of Lewiston were the
attorneys for the defendant.

The first witness called to the stand
by the County attorney was jailer, John
W. Titus of South Paris. Mr. Titus
testified that he was summoned to go to
the Pratt place on Jan. 26th, that there
was a body under the barn at the Pratt
place. This was told him by Mrs. Clara
Cutting. Mrs. Cutting came up to him
on the street that morning and said,
"You are just the man I am looking
for."

"What," said Mr. Titus,
"another drunk?" "No," replied the
woman, "worse than that, there is a
dead body under the barn," to which re-
mark Mr. Titus promptly said, "I don't
believe it."

She insisted it was so and
Mr. Titus went to the store of Sheriff W.
C. Frothingham and they went to the
Pratt place and found the body as repre-
sented.

The body had to be chopped out of the
ice and dirt and put up through a small
trap door onto the barn floor. One
pant's pocket was turned inside out, the
clothes were of good quality, the suit was
blue, light in weight, he wore a pair of
mackinaw with belt, and had a pair of
light weight kid gloves on his hands but
no shoes. His shoes were new and had
rubber heels. The body was not removed
until the arrival of the Coroner's jury
and was badly decomposed.

An investigation of the premises im-
mediately disclosed blood stains around
the floor of the barn and a blood stained
sheet or automobile covering. Several
empty cartridges were found, also one
loaded cartridge.

In the meantime Mrs. Cutting had
moved her trunk to her home and Jailer
Titus arrested Prescott Pratt on the
Gothic street railroad crossing. He was
driving a team at the time for Gus Ken-
ney.

A New Story Comes to Light.
In being asked concerning the conver-
sation of Mr. Titus with Pratt, a new
story comes to light. Pratt told Mr.
Titus that he met Davis in September
at West Bethel and Davis drove his auto
to his home, South Paris. On the way
they picked up a third party. This party
was a young man about 24 years old.
The car was put into the barn and the
three men went into the house. Here
the third man, who Pratt did not know,
had some liquor, two quart bottles and
a half pint of other liquors. Pratt told
that he took two swallows and very soon
began to get sleepy. He continued to
get sleepy and went to bed leaving Davis
and the other man in the kitchen. The
next morning he was wakened by the
barn and there he found the dead body
of Davis, and feeling too sick to do any
thing, he went back into the house. The
next day he went out and rolled it into
the barn cellar, then went and covered it
over with the heavy canvas.

Pratt did not know much about the
third man only that he was about 24
years old.

Pratt took the automobile to the Ed-
wards garage in Auburn where he traded
it.

Dr. H. L. Bartlett of Norway, medical
examiner for Oxford County, was called
and testified that he examined the body
and held an autopsy at the Thayer Under-
taking rooms. He said he found the
body badly decomposed. Death was due
to bullet wounds in the head. He pro-
duced several bullets and shells that were
found around the premises. He stated
that there were no other injuries to the
body as far as he could detect.

Dr. S. Jones of South Paris, undertaker,
witnessed that the clothes were frozen to
the body and could not be removed whole,
part had to be cut off. In the pockets
he found some postal cards, letters and
an insurance license, and insurance
papers, a few dice and matches. There
was a piece of leather similar to a watch
fob, was found, but no watch, rings or
money. The clothes were of good quality
but in bad condition and were to be
burned, but the County attorney requested
they be held for further examination.

Sheriff W. C. Frothingham corroborated
the foregoing statements of Jailer Titus
and with a few questions relating to the
dead man's clothing, the trial was closed.
Judge Jones, whom the trial was be-
fore, committed the defendant, Prescott
Pratt, to jail without bail for the March
term of the Supreme Court.

THIS WOMAN'S SICKNESS

Quickly Yielded To Lydia E.
Pinkham's Vegetable
Compound.

Bridgeton, N. J.—"I want to thank you
a thousand times for the wonderful
good Lydia E. Pinkham's Vegeta-
ble Compound has done for me. I suffered
very much from a female trouble. I
had bearing down
pains, was irregular
and at times could
hardly walk across
the room. I was
unable to do my
housework or attend to my baby I was
so weak. Lydia E. Pinkham's Vegetable
Compound did me a world of good, and
now I am strong and healthy, can do my
work and tend my baby. I advise all
suffering women to take it and get
well as I did."—Mrs. FANNIE COOPER,
R. F. D., Bridgeton, N. J.

Lydia E. Pinkham's Vegetable Com-
pound, made from native roots and
herbs, contains no narcotic or harmful
drugs, and to-day holds the record of
being the most successful remedy for
female ills we know of, and thousands
of voluntary testimonials on file in the
Pinkham laboratory at Lynn, Mass.,
seem to prove this fact.

For thirty years it has been the stand-
ard remedy for female ills, and has re-
stored the health of thousands of women
who have been troubled with such ail-
ments as displacements, inflammation,
ulceration, tumors, irregularities, etc.

If you want special advice
write to Lydia E. Pinkham Medi-
cine Co., (confidential) Lynn,
Mass. Your letter will be opened,
read and answered by a woman
and held in strict confidence.

BANISH SCROFULA

Hood's Sarsaparilla Cleanses the Blood, Skin Troubles Vanish.

Scrofula eruptions on the face and body are both annoying and disfiguring. The complexion would be perfect if they were not present! This disease shows itself in other ways, as blemishes in the neck, inflamed eyelids, sore ears, wasting of the muscles, a form of dyspepsia, and general debility.

Ask your druggist for Hood's Sarsaparilla. This great medicine completely eradicates scrofula. It purifies and enriches the blood, removes humors, and builds up the whole system.

Scrofula is either inherited or acquired. Better be sure you are quite free from it. Get Hood's Sarsaparilla and begin taking it today.
